Exam: JEE Main Mock

Test - Physics & Chemistry

Attempt #: 1

Date: 27/5/2025

Overall Performance

Score: 75/100

Percentage: 75%

Grade: B

Time Spent: 120 minutes

Questions Attempted: 95

Key Metrics

Accuracy: 75.0%

Correct: 75

Incorrect: 20

Unanswered: 5

Flagged: 8

Performance Summary

Your overall performance on JEE accuracy with significant improve performance with room for improvem

Detailed Performance Analytics

Performance by Difficulty Level

Easy: 28/30 (93.3%)

Medium: 35/50 (70.0%)

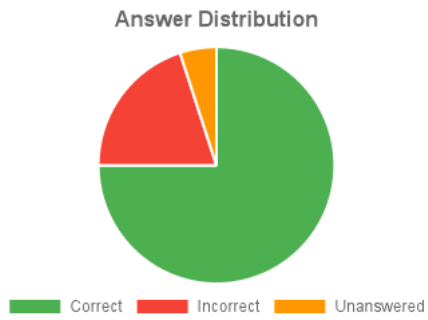

Hard: 12/20 (60.0%)

Performance by Subject

Physics: 38/50 (76.0%) - Avg: 1.2min

Chemistry: 37/50 (74.0%) - Avg: 1.2min

Performance Visualizations

Personalized Recommendations & Action Plan

Study Recommendations

- Practice time management with timed question sets
- Identify question patterns that take longer and practice those specifically
- Create a daily study schedule with regular practice sessions
- Use active recall and spaced repetition techniques

Keep Going!

Great job! You're showing strong progress. A little more focus on weak areas will get you to the top!
