Personalized Recommendations & Action Plan

Study Recommendations

- Focus on fundamental concepts before attempting practice tests
- Review incorrect answers thoroughly to understand mistakes
- Create a daily study schedule with regular practice sessions
- Use active recall and spaced repetition techniques

Suggested Action Plan

1. Review all flagged and incorrect questions from this attempt
2. Identify and study the top 3 weakest subject areas
3. Spend 2-3 hours daily on foundational concepts
4. Take practice tests weekly to track improvement
5. Maintain a study log to track progress and identify patterns
